U.S. 30 Overpass Opening in Lynwood, Lane Closures to Follow

CHICAGO – The Illinois Department of Transportation (IDOT) announced that the new U.S. 30 overpass at the Canadian National Railroad tracks, in Lynwood, will open, weather permitting, Friday, Nov. 6.

In order to connect the recently constructed pavement to the overpass, U.S. 30 from the Indiana State Line to Glenwood-Dyer Road (Illinois 83) will be reduced to one lane in each direction until early December.

Access between Sauk Trail Road and U.S. 30 also will not be allowed during this time. A detour will utilize Torrence Avenue to connect with U.S. 30.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

For more information on the overpass project, visit www.idot.illinois.gov/projects/US30EJE.
